KYC DUTY DISCRIPTIONS 2016

1. Shore Manager Duty

- Morning, put out sign on and off sheets – found in filing cabinet in office.
- Place large blue bucket outside front door, found in cupboard under stairs.
- Put out hoses for wash down on ramp and tap by blue bucket. Put out table and chairs.
- Hoist Flags: (found in office) o KYC Flag on centre pole at top of NZ Flag on yard arm
- Put bell up at top of stairs, (found in office)

Keeping Watch from tower:

- Radio check all boats as they leave shore: on Channel 17 for communication (Confirm Channel number with OD1 at briefing) Channel 21 for weather report.
- Note in day book – skipper, #of POB.
- When leaving tower take portable radio with you – can be found in the office.
- Keep track of all yachts that retire early from the course and keep a watch that they reach shore safely. If inexperienced sailor ensure an adult is there to assist with retrieval.

End of Day:

- Turn off radio at box and at wall
- Place cardboard or some other cover over the radio
- Place everything away at end of day:
- Flags off flag pole
- Put bell away
- Table and chairs away
- Hoses away and all taps firmly off

Basic Radio Calls Calling a Boat 1.

Say boat name twice you are calling, followed by Kohi Tower eg:

1. Marama, Marama, Kohi Tower.
2. Wait for response from Marama: then give message
3. If message is a 2 way dialogue say “Over” at the end of your part of message, wait for response.
4. At end of conversation say: Kohi Tower out

Receiving a Call

1. On hearing a boat calling Kohi Tower, acknowledge with:
‘Kohi Tower; name of boat calling. eg: Kohi tower, Marama’
2. Boat will give message, follow same procedure as above.

KYC DUTY DISCRIPTIONS 2016

2. Kohi Traffic Manager Duty

Morning

- Need to arrive and get cones & signs out by 8.45am
- Cones are kept in large metal bin on front deck.
- They are to be placed as per the traffic management plan that is found on inside of downstairs cupboard door. The road has silver marking as to where the cones are to go.
- Cone in middle of road at each end needs to have arrow placed over it pointing to the direction which the traffic should go.
- Two signs upstairs on balcony deck need to be placed on beach side footpath. Holes for these are approx. 100 metres either side of club.

End of Day

- Pack away once most people have left for the day.

3. Kohi Results Manager Duty

On a Normal Club Day:

You will need training on Sailwave to do results, if rostered on and not trained get a trained person to assist you, so you can learn it's not too difficult.

Duty begins after lunch.

- Ensure all sailors are entered into the system by class and division – check the sign on sheets to get a complete list.
- Results will come in either by paper or you can ask for them to be emailed.
- Enter results into sailwave. Instructions are on the wall.
- Save the sailwave files under year (2016/2017 club results and today's date)
- Publish results, print a copy and put on the board.
- Save Published copy as an html file (2016/2017 club results and todays date)
- Publish results to the KYC website, instructions are on the wall.
- Close down computer once finished.
